**HAMPSHIRE & ISLE OF WIGHT AIR AMBULANCE**

An Air Ambulance service for the people of Hampshire and the Isle of Wight was launched on 1st July 2007 and in 2 years, has flown over 1,700 missions. The helicopter can reach any part of the two counties within 20 minutes. Being able to do this, can make the difference between life and death for many patients.

The helicopter is normally manned by two paramedics, but three days a week it is manned by a doctor and paramedic. It can carry up to two patients on stretchers and is used to attend many different types of emergency, ranging from road traffic accidents to accidents in the workplace and sporting accidents. It is also used to transfer patients between hospitals, when they require emergency specialist treatment at another hospital.

We need to raise in excess of £92,000 per month to enable us to provide this vital service which is entirely funded by the generosity of the public. By becoming a member of our Flight for Life Lottery, you will help us achieve our fundraising targets, and help us save many lives in Hampshire and the Isle of Wight. Lottery members can also enjoy specially discounted rates on Warner Breaks and Haven Holidays.
